Miss Mary Boney Becomes the Governor Montague Speaks and Bride of Mr. James

(Special to The Times-Dispatch.)
DANVILLE, VA., November 3.—Miss
May Boney was married yesterday to Mr.
James Duncan, a prominent young business man of Culipaper. The ceremony
was performed, bit the residence of Mrs.
L. A. Partick, grandmother of the bride,
Rev. S. S. Lambeth officiating. The
wedding was witnessed by a large number
of friends of the contracting parties, and
the ceremony was beautiful and impressive.

Payne—Bird.

(Special to The Times-Dispatch.)

WOODSTOCK, VA., November 3.—The magnificent residence of Mr. and Mrs. P. M. S. Bird, about one mile east of Mt. Jackson, was the scene of a pretty wedding Thursday afternoon at 2.30 o'clock, when their daughter, Miss Anna Louise Bird, was married to Mr. Robert Houston Payne, a prominent young man of that neighborhood.

The ceremony was performed by Rev. E. L. Folk, of the Lutheran Church, before a number of invited guests.

The bride wore a handsome going away gown of blue cloth, and carried a handsome boquet of Bride's roses.

The couple left on the evening train for a bridal trip. They will reside near Mt. Jackson, where the groom is a prosperous farmer.

Review of Trade.

(By Associated Press)

NEW YORK. November 3.—R. G. Dun & Company's Weekly Review of Trade to-morrow will say:

Coolor weather in most sections of the country has stimulated retail demand for seasonable myrchandles, improving the tone of business where there had been more or loss irregularity, but reports are still somewhat mixed as to collections. Supplementary orders are coming to the primary markets for wearing appared, and in many cases shipments would show still larger gains over the same time last year if transporting facilities were better. This year car shortage is an increasingly disturbing element. There is still a very close comparison of railway earnings, which were only nine per cent, larger than in October, 1974. At the South and West the scarcity of labor retards operations, yet those sections are more prosperous than ever before, and quarantine reserictions no longer interfere in the New Orleans District.

Failures returns were very favorable in October, liabilities failing 36 per cent. Commercial failures this week are 292 against 229 the corresponding week last year.

RAILWAY EARNINGS

N. & W. Shows Notable Increase for September. A statement of the earnings of the Norfolk and Western Railway Company for September, 1965, is appended; Miles operated, 1965, 1,884; 1964, 1,769; in-crease, 55
